Thanks. How about if we check in after the comments are sent to see if we should update the Weekly about our sent letter? No need for a new entry just to clarify the change in the comment period.

Subject: weekly amendment...

Hi Paul,

On Thursday late, we were notified that the Corps extended the PN comment period for Vigneto another 30 days. Melissa and I decided it would be worthwhile to hold up our comments and give Sam time to review and sign.
